## Introduction

This inventory lists accessions that were been donated to Massey University Archives by individuals. All of the individuals have an association with Massey, being either members of Council, staff, students or those closely involved with life at Massey University in any other manner. Also collected and listed here are records of individuals that have contributed significantly to New Zealand society in one of the many areas focused on by Massey University teaching and/or research.

Due to the wishes of some donors, access to some of the collections may be restricted.

Where applicable and possible, the archival material of each entity/office is arranged into the following series and subseries:

- 1     *General*
  - 1-1     Governance Documents (e.g. Constitution, Policies, Planning documents, Regulations, Statements, etc.)
  - 1-2     Minutes and Meeting Documents
