

## How do I access full text PDFs at Standards New Zealand?

Standards New Zealand updated their website in early 2021. Accessing the full text PDF of a standard now requires the following:

1. The URL (<http://ezproxy.massey.ac.nz/login?url=http://shop.standards.co.nz/IPCheck/login.jsp1>) has not changed, and no extra login (beyond your initial Massey single-sign-on) is required.
2. You can use either search box on the page. However:
  - Keyword searching is available in the top search box only.
  - You must search the lower search box by the standard's AS/NZS number, for example **8016** or **4081:2001**.

The image shows two screenshots of the Standards New Zealand website. The top screenshot shows the main navigation bar with a search box labeled 'Search the site' highlighted by a green box. An orange arrow points from this box to the text 'Keyword search is available in this search box.' Below the navigation bar is the 'Online Library' section. The bottom screenshot shows the 'Online Library subscription' page. A search box labeled 'Search for a standard in your subscription' is crossed out with a large red 'X'. A red arrow points from this search box to the text 'Not to be used for keyword search. Use this search box for searching standard by number e.g. 1567 or 4081:2001'.

If you need further assistance, contact a librarian:  
Phone 0800 MASSEY (0800 627 739) and ask for the Library
